

Meaning of the logo of GAIAPOLIS GESI

The logo of GAIAPOLIS GESI symbolizes our mission to embody the values of peace, sustainability, and harmony with nature.

The dove holding an olive branch symbolizes peace and ecological commitment.

The globe in the background highlights the universal dimension of our commitment.

The olive branches illustrate the idea of sharing, sharing all the way back to the earth.

Our mission is to create or recreate a virtuous circle and to give back to nature what it has generously transmitted to us.

We hope that wherever you see the logo of GAIAPOLIS GESI, we will have participated locally, humbly, in the longevity of happiness.
